

Executive Meeting  
8 October 1958

Lakehead Amateur Radio Club

Called to order at 8:30 pm, in the Civil Defence Building.

Bill Roberts - VE3ARN in the Chair. All executives present except Choppy Walsh - VE3BPZ.

The Secretary reported the purchase of a new A.R.R.L. Handbook to assist in selecting 2-meter equipment. This book to be held on the Club Station as a reference handbook. It was suggested it could be raffled at the end of the year.

Bill Roberts - VE3ARN then discussed the 2-meter equipment he had selected. The receiver converter on Page 404, the transmitter on Page 438 and modulator on Page 480 - 1958 A.R.R.L. Handbook.

Further discussion on Meeting Night. Will be re-opened for discussion at the next general meeting. Several members find Thursdays unsatisfactory.

The Secretary to see Paul Werk re assistance which might be required in getting the C.D. station into operation. Also re heat in the basement radio room and amateur crystals.

Re agenda for next general meeting. Code tests to be carried out using test oscillator by Peter Boyle - VE3DPJ, etc. Auction sale of used equipment.

Prior to next meeting, all members to be contacted by phone. Also proposed that only members in good standing be kept on the Bulletin mailing list.

Signed:

Frank Start - VE3AJ  
Secretary-Treasurer
